Message from Mr Bonaddio -Term 2

The children have settled quickly into their new routines and as always, they are approaching learning, and school life, with a great deal of determination and positivity. There are countless opportunities to praise the children for producing amazing individual pieces of learning, working well

together, or for showing amazing acts of kindness. This will always be one of the many joys of my job!

Thank you so much for attending this week's Parent/Carer evening. We are really excited to have had such a fantastic uptake, because we know how much we can achieve together. If you any of you were unable to attend, please make contact with the school office to set up a meeting.

Mrs Barlow and I met with our newly formed School Council members on the bus. Their enthusiasm is wonderful. The children are proud to be an active part of our school community.

Our School Council Members

Our school council has been announced. Here they are having their very first meeting on the school Bus. So far they have been tasked with:

- designing a new school logo,
- accompanying the school site manager on a health and safety walk around the school
- How we can best use the bus.

Year 2 trip to Clifton Suspension Bridge

Year 2 visited Clifton suspension bridge on Friday 10th November. We explored the museum downstairs and completed some fun quizzes. We learnt more about Brunel, Bristol and the history of postcards and made some of our own. A fun day was had by all.

Year 6 WW2 Evacuee Day

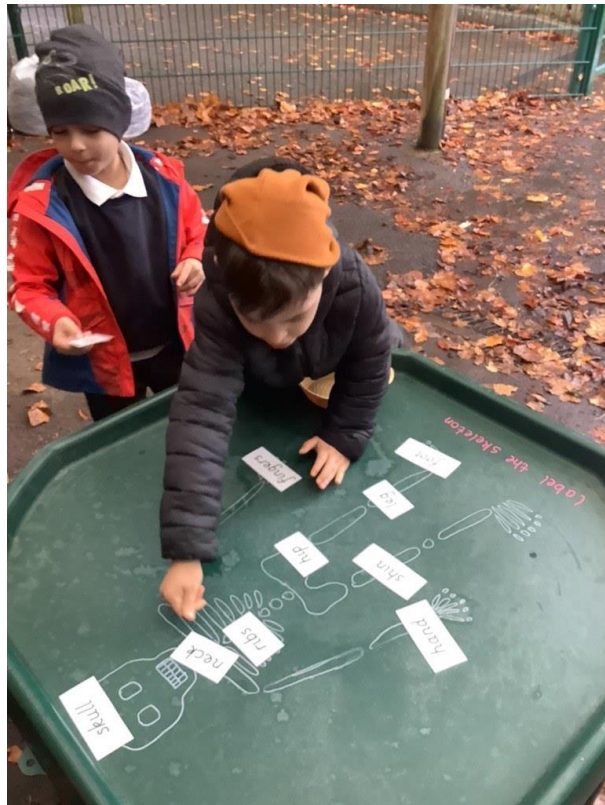

Our WW2 learning came alive when the children put themselves in the shoes of an evacuee. We had an exciting day imagining that we were evacuees. We wore labels and identity cards and had them on all day! We went to visit an Anderson shelter and tried to better understand what it would have been like to have been in the Blitz.

We also made WW2 planes!

Year 1

In Year 1 this term we are learning about the human body and our senses. This week we have been reading labels and matching them to the correct parts of a skeleton.

Year 4 Scooter Experience Day

Year 4 had a great scooter Experience day. The children got to try out lots of new stunts. However their favourite part of the experience was Ms Thorn lying down on the hall floor and the stunt man doing a back flip on his scooter over her. We hope that all the children feel more confident keeping themselves safe when riding.

Year 5 BMX Experience Day

Year 5 enjoyed a BMX experience day. One of the best parts about riding BMX is that you have a small enough bike to add in a load of fun tricks, which they did. Some of the tricks included The hop, The Drop and the Bunny Hop.

Reception 2024 Tours

We have held two open events at our school for any new children starting school next September, We still have one final tour in the diary, on 20th November at 10am. Please spread the word far and wide for to any prospective parents that you know who are look for a school place. If they are not able to attend our final tour, please tell them to contact the School Office to arrange a tour.

Breaktime Snack

Children in Nursery, Reception, years 1 and 2 are supplied with a piece of fruit daily from school to eat at breaktime.

Children in years 3,4, 5 and 6 are encouraged to bring in their own **healthy snack**. We have seen several children eating chocolate and crisps at breaktime which is not in line with our vision for a healthy school experience. Many children are also going to their packed lunchbox to retrieve their snack which we are hoping is meant for breaktime and is not part of their lunch, you may wish to check with them in case they need an extra snack provided for them. For this reason please can we request breaktime snacks are kept separate from their lunch boxes. Thank you in advance for your help with this.

Parking

Play your part in keeping the area outside our school safe

During last year several vehicles received a fixed penalty charge for parking or stopping outside our school and other local schools. Park Legal will be making regular appearances with foot patrols and camera cars this academic year to help ensure our community stays safer for all travelling to and from school.

The Highway code states:

Rule 238

You **MUST NOT** wait or park on yellow lines during the times of operation shown on nearby time plates (or zone entry signs if in a Controlled Parking Zone)

You **MUST NOT** wait or park, or stop to set down and pick up passengers, on school entrance markings when upright signs indicate a prohibition of stopping.

- No Stopping
- No Excuses
- Keeping our children safe

Please can we also ask that parents do not use the school car park to drop off if running late unless you have prior permission.

PTA

Join the PTA!

MANY HANDS MAKE LIGHT WORK

A huge thank you to the PTA who organised the Fangtastic day on 31st October. The children (and adults too!), looked great. We managed to raise over £106. Monies raised will help to fund projects around the school

A PTA is a Parent Teacher Association, an organisation with a mission to make the school a better place for children to learn. Blaise Primary and Nursery school PTA brings together parents/carers, teachers and children to raise funds and strengthen the school community. Money raised is usually spent on things that the school budget does not cover. There is no expectation on any parent

volunteer, any amount of time you can give to the PTA will always be well received. There are a variety of ways you can get involved, from engaging with social media activity, attending PTA Meetings through to volunteering at events or even coordinating your own event. Even donating preloved items, raffle prizes or suggesting brilliant ideas are ways of getting involved. If you would like to get involved please email pta@blaiseprimaryandnursery.co.uk

PTA Events

1-12-23 Winter Fair after school. Please contact PTA if you would like a stall.

11-12-23 School Winter Disco after school. Tickets will be available shortly.

Breakfast

Please ensure your child has breakfast at home each day. Breakfast is the most important meal of the day. Breakfast consumption in children has been found to:

- Improve cognitive function, particularly memory, attention, and executive function
- Improve academic performance
- Increase on-task behaviour in the class

School Uniform

We wish to remind parents about our school uniform expectations, which you can read by [clicking here](#).

We continue to ask that children come into school, in their PE kits, on PE days.

Please be reminded that the school's PE kit is:

PE Kit

- Plain Navy/ black shorts, jogging bottoms or leggings
- Plain white t-shirt (no football shirts)
- Navy/Black sweatshirt or hoodie

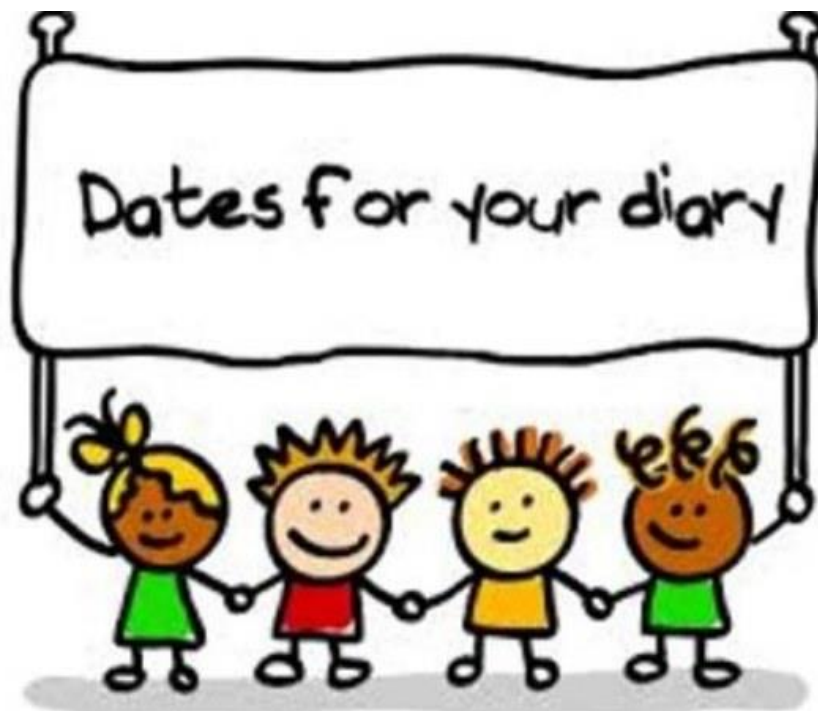

Health and Safety

The children **should not** be wearing jewellery to school, including bracelets and necklaces. Stud earrings are permitted, no dangly or hooped earrings as these could get caught when the children are running around in the playground or during PE lessons. Earrings need to be removed or taped and long hair tied back for PE, tape is to be brought in from home.
